The Columbia has been cleverly designed to celebrate modern living. Featuring four bedrooms and two bathrooms this home reflects the common demands of many home buyers; functionality, contemporary design and intelligent use of space. With a well-designed open plan living, dining and entertainer's kitchen with walk in pantry and island bench, this home is the perfect choice for those looking for a more spacious, comfortable home. Your outdoor entertaining area connects seamlessly to the main living area creating a natural flow of light and is the perfect place for relaxing with family and friends while your generous master bedroom with ensuite and walk in robe provides the ideal retreat. This design is sure to impress everyone.
